

nu board Square

Square-type whiteboard notebooks you can carry anywhere along with your smartphone.

This eco-friendly product is ideal for online meetings, home learning, and sharing diagrams.

The included marker features a popular ultra-fine tip, making it easier to write fine text.

Materials

Paper, PET

Usage Precautions

- Use only whiteboard markers.
- As a paper product, slight warping may occur due to drying or humidity.
- Writing on the board surface or the transparent sheet will become difficult to erase after approximately 7 days.
- To remove stains from the board surface or the transparent sheet, use a whiteboard cleaner or alcohol-based wet wipes.
- If the marker runs out of ink, purchase a commercially available whiteboard marker.
- Touching the written area may cause the writing to smudge or may stain your hands or clothing.
- Use under adult supervision when given to young children.
- When storing, ensure the marker is placed horizontally.
